**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply filed on 12/22/03 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the status identifiers of the claims are incorrect, for example, claims 2-12 should be identified as previously presented since "previously amended" is not a recognized status identifier (note that when identifying claims that have been previously amended, the correct status identifier is previously presented). Also, claims 13-14 appear to be in the same form as originally filed but they have also been identified as "previously amended" which is incorrect since they have not been amended at all. Finally, claim 1 should be identified as currently amended, and the amendment to the claim should be shown since the claim was amended to incorporate the word "turn" in line 3. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
